Mountainview Elementary is an English language school that has a proud tradition of inspiring each child to reach his or her individual potential. Our caring and dedicated staff work together to offer a variety of academic and extra-curricular learning opportunities. Our motto "Mountainview Cares" permeates all aspects of our school life.

Here are some of the features Mountainview has to offer:

- Technology in our school: iPads, Chromebooks, laptops, 1 Smart Board per classroom as well as a Smart Table
- A Math program focusing on the core competencies of the QEP with an emphasis on developing and understanding situational problems
- An English program with multi-leveled reading that challenges students to constantly develop and improve their Language Arts skills
- A thematic based French Second Language program (33% of instructional time is in French)
- An academic Music program from Kindergarten to Grade 6
- 120 minutes of Physical Education per week for Cycles 1, 2 & 3
- Extra-curricular and co-curricular field trips including Cycle 3 overnight excursions
- A school-wide positive behavior "House System"
- MEES funded Daycare with qualified, friendly and caring staff
